

Architectural Change Requests will be reviewed within 30 days.

The ACR request for _____ has been:

_____ Approved _____ Disapproved

_____ Approved with the following stipulations:

As the owner of this property, I accept the responsibility to adhere to all county, State and/or Federal requirements for my project. I agree to obtain building permits, licenses and/or other requirements of any agency governing my property if I have received the approval of the Board of Directors. I will make sure APM has a copy of all permits and/or licenses for the lot file which is maintained in their business office. I will also display any and all required documents on the exterior of the building during construction and through completion.

Owner's Signature

_____ Date
